To

C Narayanaswamy Naidu, Esq , B A ,B L ,
Legal Remembrancer & Secretary to Govt
Law Department, BANGALORE

SIR,

I have the honour to state that on a report received from the Engineer of this Municipality explaining the necessity for sanctioning the Re-organization of the Drawing Branch of his Office at an additional cost of Rs 945/- per annum, the matter was placed before the Managing Committee and Council They have, at their meetings held on 1-2-1945 and 31-3-1945, respectively, approved the proposals of the Municipal Engineer The grades of pay proposed in each case are similar to those existing in the Public Works Department and as such, will facilitate the inter-change of hands, if these proposals are approved

A copy of the resolution of the Council referred to above, with that of the report of the Municipal Engineer, with its enclosure in duplicate, is herein enclosed for favour of obtaining the sanction of Government thereto

I have the honour to be,
Sir,
Your most obedient servant,

K Subba Rao
Municipal Commissioner

Forwarded with compliments

M A Gopalaswamy Iyengar
Hon President 16/5/1945

Memo No E2-Pr 30/44-45 dated 19th December 1944 from the Municipal Engineer, to the Municipal Commissioner, Bangalore City

---

Subject - Reorganising the Drawing Branch of the Municipal Engineering Section

---

Submitted to the Municipal Commissioner The drawing branch of the Office consists of two Asst Draftsmen and one tracer and they have to attend to the following works

2 Estimates of works are to be checked, fair copied and submitted with copies for sanction

(b) Tenders and quotations are to be called for After the - tenders and quotations are called for, comparative statements are to be prepared and submitted for approval

(c) Plan and vluation statements of acquisition proposals both major and minor are to be checked and fair copied

(d) The Registers of Estimates and Work Order books are to be maintained in the drawing branch In addition, to this, they have to attend also to other miscellaneous works, such as preparing copies of plans of water taps and lights and preparing the copies of sanctioned building license plans and preparation of Budget Estimates and schedule of rates

3 Hitherto, the Budget grant of this department was limited to 2 to 3 lakhs Now the grant of this department is raised to nearly 8 lakhs, which is more than a divisional allotment of P W D The raising of the budget grant must necessarily increase the work of this section and the work is very heavy now that the present staff is unable to cope up with it

4 Further, the post of the tracer is vacant for the last one and half year More than two candidates were appointed They worked for sometime and tendered resignation as they got better pay elsewhere The vacancy was advertised in the Gazette as per C R B rules But no candidate has turned up till now Thus, the drawing branch is short of a hand At times, there would be so much rush of estimates, a Maistry or a Suboverseer has to be drafted to cope with the work

5. It is therefore proposed to strengthen the existing staff by one hand and to reorganise the Drawing Branch, on the lines of P W D The revised proposals on this basis are herewith submitted for favour of placing the same before the Municipal Council for sanction The average additional cost of the proposed Establishment will be Rs 945/- per year
